Inside this issue:

Dear Brothers & Sisters in the Faith,

In 1973 I had a wrestling match with God. I felt God calling me to ministry but, like Jonah, I ran. God did not desert me. He persisted. Finally, as I prayed the prayer of submission “God, your will be done on earth as it is in Heaven” a powerful peace washed over me. And as they say, the rest is history-my spiritual journey of forty plus years of ministry.

So, you would think I learned my lesson. Here it is 2014 and again I am bold enough to question God: “Are you sure you want me to be a District Superintendent?” My soul wrestled with the pros and cons. Finally, I prayed the prayer of submission “God, your will be done on earth as it is in Heaven” and the peace that passes all understanding flooded my soul.

Now what? I am asking you to partner with me as I claim personal responsibility as a Pastor “To equip God’s people to do His work and build up the church, the body of Christ” (Ephesians 4:12). “Let us run with endurance the race God has put before us” (Hebrews 12:1). How do we do this? “...by keeping our eyes on Jesus, the champion who perfects our faith” (Hebrews 12:2).

What does this partnership look like? “Let us not neglect our meeting together ...but encourage one another” (Hebrews 10:25). In this marathon of life they will know we are Christians by our love. Our love for one another will prove to the world we are His disciples (John 13:35).

I thank God for Ellis Conley and his ministry here in the Mon Valley District. I am already witness to his many seeds of faith and stand in awe as God continues to bring forth the growth from Ellis’ ministry with you. I am a witness to his love for you. I am thankful to call him a brother in the faith and friend.

I come to you with a contrite and humble heart knowing “Humanly it is impossible. But not with God. Everything is possible with God” (Mark 10: 27). I come with love for you already according to Jesus’ new commandment in John 13:34 “...Just as I loved you, you should love each other”.

And so, until we meet together may you find peace in your heart as we accept God’s call and journey forth as heirs with our Lord Jesus Christ.

Peace & Grace, **Rick**

District Educational Funds Emphasis for 2014—\$9,294 Goal

The mission emphasis for 2014 MonValley District Charge Conferences will be the three Educational Funds established by General Conference. **MEF (Ministerial Educational Fund)** provides scholarships for Licensing School, Course of Study, and Seminary as well as continuing formation events in our Annual Conference. (25% of monies received are returned to our Annual Conference.) Your pastor has benefited from MEF funds in some way. The **Africa University Fund**, provides scholarships to the only degree granting institution of higher education supported by the UMC in Africa. Young men and women from 25 countries come to complete undergraduate and graduate degrees. The **Black College Fund** supports the 11 historically Black United Methodist colleges and universities here in the United States. As is our custom, Superintendent Rick DeQuasie will be asking for a check from each church for \$1 per member at Charge Conference made out to "MonValley District" to insure that we reach our district goal of \$9,294. **(Do not send this money or district apportionments through the Conference Treasurer's office with your conference apportionment.)** Because of your faithfulness, our Annual Conference has been able to pay 100% of these funds over the past 5 years. "Thank you" to those churches that will be faithful to this mission asking.

Meet the New Minister

A Covenant Prayer in the Wesleyan Tradition

I am no longer my own, but thine.
 Put me to what thou wilt, rant me with whom thou wilt.
 Put me to doing, put me to suffering.
 Let me be employed by thee or laid aside for thee.
 Let me be full, let me be empty.
 Let me have all things, let me have nothing.
 I freely and heartily yield all things
 to thy pleasure and disposal.
 And now, O glorious and blessed God,
 Father, Son, and Holy Spirit,
 thou art mine, and I am thine. So be it.
 And the covenant which I have made on earth,
 let it be ratified in heaven. Amen.

[2014 West Virginia Annual Conference Summary](#)

The 46th session of the West Virginia Annual Conference met June 12-15 at West Virginia Wesleyan College in Buckhannon, W.Va. Bishop Sandra Steiner Ball presided during the session which emphasized the theme, "Discover Christ."

Guest preacher, Bishop Thomas J. Bickerton (Western PA area) returned to the place of his ordination to preach at two worship services. His first sermon, "Discover Relationship," was based on the conversation Jesus had with the Samaritan woman at the well, as told in the Gospel of John.

"I believe this story represents one of the greatest challenges of the Christian journey, to love people like he (Jesus) did," said the bishop.

Bickerton preached again Friday morning, where he urged the conference to re-discover joy. He used the song "Happy" by Pharrell Williams to demonstrate joy and conference members responded by dancing in the aisles of Wesley Chapel.

The conference also concluded a year of emphasis on Imagine No Malaria. Since 2007, the conference has raised \$425,000 to combat the deadly disease.

The Cabinet of the West Virginia Annual Conference presented a report that demonstrated the perseverance and hope local churches and ministries show even in times of hardship and "giants in the land" such as addiction, depression and the perceived cultural irrelevance.

Resident and presiding Bishop, Sandra Steiner Ball based her address on Isaiah 40, verse 31: "but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

"God wants to renew our strength, to make us able," she said. "I hear Isaiah telling us to look around at the big world. Behind it is a creator who has the expansive power of life that can make a grasshopper soar like an eagle."

Dr. Elaine Heath led two conference teaching sessions that focused on how missional communities can reach new people.

Bishop Ernest S. Lyght, who served the West Virginia Conference from 2004 - 2011 preached a sermon during Sunday morning ordination that encouraged attendees to embrace the steps along the journey of faith.

"When we are on the spiritual path, the whole world is open," he said. Conference passed a resolution that strengthens clergy training regarding the issue of sexual assault. They also approved a rule change that allows seminarians to take up to 66 2/3% of their courses online, except for those related to preaching and pastoral care.

Conference adopted a \$12,027,139 budget for 2015, a decrease of \$59,829 or 0.49% less than the 2014 budget.

At the end of 2013, membership stood at 97,363, down 1,818 from the end of 2012. Worship attendance stands at 41,820 down 1,725. Church school attendance stands at 19,455, down 1,372.

Seven elders and three deacons were ordained. Five were commissioned: one as a deacon and four as elders. Nine elders, one deacon, and four associate members entered into a retired relationship with the conference. Eight local pastors were recognized as retired.
