

## Wesleyan District Church Leaders Workshop 2022

Strong congregations require strong leaders. Whether you are a new church leader/officer or been around the Conference for a while, join us on February 5, 2022 as we offer church training courses to help you gain the knowledge and skills you need to be an effective church leader. Would you like to understand more about apportionments? what a local church lay leader does? the responsibilities of a trustee? how to ensure your church council is operating effectively? Join us for this training! As we are a connectional church, this is a great way to get church officers and leaders together to hear the same message, share stories, and prayerfully learn from each other's successes and issues.

Leadership is an extension of discipleship. It calls for Christians who are committed to increasing their leadership skills and deepening their spiritual practices.

**This training will be held at Chapel Hill United Methodist Church on Saturday, February 5, 2022 from 12:30pm-4:00pm and also via Zoom.** Registration & Fellowship will begin at 12:00p, then gathering together @12:30 to listen to our Conference Treasurer Jamion Wolford discuss apportionments. Our breakout sessions will begin at 1:00p.. **There is no charge for this workshop.**

Breakout sessions will be held for the following:

- Administrative/Church Council
- Financial team/Treasurers
- SPRC/PPR
- Trustees
- Local Church Lay Leader/Lay Member to Annual Conference
